COMMENTS FROM THE TOWN MANAGER'S OFFICE

The assessment work for 1964 has been completed and the books are being added to get the total valuation of the town for this year. As soon as the total value is known it can be divided into the amount raised at town meeting and the tax rate for this year will be determined. It appears now that the tax rate will be the same as it was last year. The revaluation of the commercial property resulted in a net decrease in value. The decrease is about \$40,000 in valuation. This loss will take a good part of the value that would be gained from new construction and improvements to existing property.

The excise tax books for 1965 have been received and anyone wanting to get an early excise tax may do so now. Some of the people with special plates like to get their excise tax paid early and send for their new registration. Early excise tax and registration is also convenient for people who will not be here this winter or part of the winter.

Twenty-seven names have been called to the voting list since it was reprinted the first of June. This is an election year and everyone not only has a right but a duty to vote. It would be helpful if persons planning to register could do it some time this month or next month. Of course there will be some last minute registration but that is to be expected. Anyone who can register any time the office is open. If it is not possible to get to the office during the regular office hours, I will be available most evenings to register new voters.

Michael Houlahan

Mrs. Burdick Pierce, Broad St., is teaching the sub-primary class in Andover.

SEN. MUSKIE ASKS CAMPAIGN WORKERS TO EXERCISE GOOD TASTE

Senator Edmund S. Muskie today suggested to his campaign workers that they use good taste in putting up campaign material. He urged supporters to avoid attaching posters and other campaign material to "utility poles, trees, and other public property."

Senator Muskie said "this often causes an eyesore and is unfair to neighboring residences." Muskie who seeks reelection, also cautioned supporters against putting up campaign material on private property without the owner's consent.

He suggested that friends who want to put up posters on their own property should write Muskie for Senate Campaign Headquarters, P. O. Box 744, Waterville, and the campaign committee will make arrangements for posting the signs.

Avery Angove has accepted a position at P. H. Chadbourne Company.

Mr. and Mrs. Stanley Brown were in Hartford, Conn., Tuesday. They were accompanied by Mrs. Brown's mother, Mrs. Ada Swann of Millsfield, N. H., who will spend some time with her daughter and family. Mr. and Mrs. James Bates.

Mr. and Mrs. Herbert Adams have moved into the apartment in the Palmer house on Main Street. Mrs. Adams is teaching second grade in the Bethel High School and Mr. Adams is teaching social studies at Stephens High School in Rumford, and will also coach skiing.

FINE MAINE HUNTING IS THE OUTLOOK

With Labor Day past, it won't be long before sportsmen will be starting another hunting season. The outlook in Maine is for an excellent season for all game birds and animals, according to Maine Fish and Game Commissioner Donald T. Spers.

Several factors have contributed to the "excellent outlook" being given by the Maine Fish and Game Department. Last winter was one of the mildest on record, consequently the winter mortality was the low. The late spring and early summer resulted in good nesting conditions for the song birds this year. And we are presently in the midst of a bumper crop of fruits and nuts of all kinds which will have the game well fattened up this fall.

As the result of the extreme cold of 1963-64 and the poor 1963 hunting conditions, last fall's deer kill was below normal. Hunters in game kills are to be expected, however, and the deer kill is expected to return back to its normal level this year.

Maine game warden and biologist to the fish and game department has reported an increased number of white-tailed deer and they say that the deer are in excellent condition.

Huffed grouse populations are present in good numbers again this year. Hunting areas are good, and the grouse are well developed. There are a few scattered areas where populations are not up to par, but generally it looks as if this will be another good year for them.

Woodcock hunters should

have an especially good year. Game warden have indicated that timbered areas are present in great numbers, and more casual observations have confirmed this fact. Then, too, the season on woodcock is opening a little earlier this year, which will be to the hunter's advantage.

The annual production of the department's game farm is 10,000 pheasants, but this year, with especially good conditions, the game farm produced more than 11,000. The pheasants are raised co-operatively with clubs and interested individuals and are stocked in suitable cover before being released in early September.

The big news in the Maine duck hunter's world this year is the increased limit of black ducks, the favorite species in Maine. This year hunters will be allowed to take three black ducks, an increase of one Maine's waterfowl experts report that all species except the very necked duck had increased breeding populations this year.

Dear hunters should continue to enjoy their sport since there are plenty of birds around. The sport is on the increase in Maine, and to answer hunters' questions of where, when, and how to hunt deer, the department has available a new hunter's guide. Copies of this book and hunting regulations booklets may be obtained by writing to the Fish and Game Dept. office in Augusta.

And remember, game warden can be avoided by using a little common sense. Every hunter has a big responsibility to himself and to his companions when he's in the field with a gun.

FARMINGTON DRIVER STILL POINT LEADER AT OXFORD PLAINS

Farmington's Bob Smith was equal to the challenge Saturday night at the Oxford Plains Speedway where he had won his third straight stock car feature race in the top pressure competition of the season.

Special midget and stock car features will be highlights of the evening.

Bob Thibodeau of Norway, who had previously led the stock field until Smith snatched a three point lead two weeks ago, scored a fifth in last week's feature and saw the margin between him and Smith widen substantially.

Some 4300 spectators witnessed the action filled card which saw little change in the point standing from first to 15th places. MR. AND MRS. YATES CELEBRATE 50th ANNIVERSARY

A happy evening, Mr. and Mrs. Edward Hanna, celebrating their 50th anniversary of their wedding, the "Ester Yates." The card carrier had left several greeting cards too late for the "real day" he must have thought Christmas had arrived early as he had close to a week of cards that day. Morning callers were Mr. and Mrs. Frank Hayes and Lloyd Davis, all of Bryant Pond. Then we went to "Blake's Country Kitchen," for our anniversary dinner. Of course while we were there someone called and left a beautiful bouquet of sweet peas with a lovely yellow rose in the center. Saturday evening our youngest daughter, Laura and family, of Lovell, visited as also son, Carroll, and two sons, Jeffrey and Gary, were here and brought a lovely card. Laura brought a golden plaque of the four seasons of the year—in a gold frame. The cards were beautiful and had much money in them—we were given a TV set by our eight children—4 sons and 4 daughters—a gift of food—we would certainly have to part with. These along with 24 grandchildren and 14 great grandchildren all help to make life worthwhile. God saw fit two years ago to take one beautiful little granddaughter from the circle but otherwise the children—grand and great grandchildren are all with us for which we thank God from the bottom of our hearts. They are our "Best and Biggest Blessing." We wish to thank each and every one who remembered us in any way on September 12, 1964. God Bless you all—Eva and Ester.

GOULD FOOTBALL PROSPECTS NOT CONSIDERED BRIGHT

Coach Bob Scott, starting his 36th season of football coaching, greeted a squad of fifty including seventeen freshmen. This group contains thirteen lettermen: Rolfe Foxwell and Randy Christian, centers; Allan Taitel (co-captain), Charlie Runnels and Paul Vachon, guards; Kevin Wight (co-captain), tackle; Les Stevens and Jack Andrews, ends; Mike Christian, quarterback; Allan Swan and George Nickerson, halfbacks and Dennis Wheeler and Ray Atwood, fullbacks.

Up from last year's J. V. squad and ready to help the Husky cause will be ends Charlie Jacobs, Ken Morse, Alan Burgess and Don Dixon, tackles Al Lovejoy, Bob Bartholomew, Theron Clough, Daryl Young, Mark Walker and Ron Smiley. Allen Walker is a guard while the returning J. V. backs are: Barry Salway, Earl Tyler, Lee Vail, Brian Jack, Tom Fadner, Steve Trunkard, Bob Remington and Dick Sweeney.

New candidates who are expected to help are: ends Glen Langley, Steve Mahler and Mike Cluckey, guards Roger Paquette and back Bruce Taylor.

First week indications are that none of the freshmen have sufficient talent to break into the varsity squad.

This is the first year of the new Mountain Valley League with five of the Huskies seven opponents being new to the schedule. When asked to comment on the team's prospects in the new league Coach Scott couldn't generate very much optimism. Citing the youthfulness of his squad, only two of whom have reached their eighteenth birthday, and the lack of depth in seasoned two-way players. The squad will also lack the speed which Coach Scott feels is necessary to be a consistent winner. Assistant coaches this year are: Paul Bailey, Joe Roderick and Bill Cousins.

Schedule: Sept. 26, at Lyndon Institute; Oct. 3, Livermore Falls; Oct. 10, at Wilton Academy; Oct. 17, Mexico; Oct. 24, Jay; Oct. 31, Farmington; Nov. 7, at Hall Dale.
